Subject: Webinar Opportunity - Row Crop Market Outlook and Economics of Dicamba Ruling
Date: Monday, July 6, 2020 10:45:43 AM

Dear Stakeholder,

Please join us **Friday, July 10th at 1:00 pm CT** as we continue our Row Crop Market and Economics webinar series. Faculty with Mississippi State Extension and the Department of Agriculture Economics will host a webinar titled “**Row Crop Market Outlook and Economics of Dicamba Ruling**”.

Dr. Will Maples and Dr. Brian Mills will discuss a variety of topics that include:

1. A market update for row crops in Mississippi and look at the recent USDA WASDE and Acreage reports.
2. Marketing considerations for producers to think about at this time.
3. A first look ahead to the 2021 crop year and risk management implications.
4. The implications of the recent Dicamba ruling on producer’s bottom line.

Participants can register for the webinar at:

https://msstateextension.zoom.us/webinar/register/WN__YLUtUnaQjOPq_rKBABsxA

Once registered, participants will be emailed a link from which they will be able to access the webinar. The webinar will be hosted through Zoom and participation requires an internet connection but does not require a microphone or webcam. If you unable to join the live webinar, a recording will be made available for future viewing .

Please contact Dr. Will Maples (will.maples@msstate.edu; (662) 325-2883) with any questions.

Thanks,
Will Maples
